### Edward Bandurak Named Print Specialist at e-LYNXX Corporation

CHAMBERSBURG, PA – Edward Bandurak of Chambersburg, Pennsylvania, has been named print specialist for Government Print Management, a service offering of e-LYNXX Corporation, the leading print management firm in the United States.

"Every day, Ed works with print suppliers around the country to help them price their submissions to the U. S. Government Printing Office (GPO) so they are structured and priced to win the work," said Maxine Gindlesperger, chief administrative officer of e-LYNXX. "Winning GPO work is a very exacting process, and our clients appreciate the experience and knowledge that Ed provides."

Government Print Management is the e-LYNXX division that works with print suppliers to gain GPO and other government work. The most active printers that support GPO are clients of Government Print Management.

Bandurak joined e-LYNXX in 2007 after having been with Cenvo in customer service, estimating and billing. Stamford, Connecticut, based Cenvo, Inc., is the third largest graphics communication company in North America. He ended his 25 years there as billing manager.

A native of Natrona Heights, Pennsylvania, Bandurak graduated from California University of Pennsylvania with a Bachelor of Science degree in print management.

#### About e-LYNXX Corporation

e-LYNXX Corporation, the North American procurement authority, is exclusively endorsed by *Printing Industries of America (PIA)* and *Educational and Institutional Cooperative Purchasing (E&I)* and recognized as a top 100 procurement firm by *Supply & Demand Chain Executive*. Founded in 1975, e-LYNXX has three divisions. • American Print Management provides enterprise print procurement solutions and patented competitive methods to reduce costs for direct mail, marketing materials, packaging and other procured print. Results include enhanced quality and service levels, efficiencies, process control, transparency and procured print cost reduction of 25% to 50%. • Patented Procurement Method grants patent licenses for supply chain optimization. Results include substantial reduction in existing costs of competitively procured goods and services. • Government Print Management offers U.S. GPO bid services, access and assistance. Results include filled downtime, operational stability, improved cash flows and increased profitability. [www.e-LYNXX.com](http://www.e-LYNXX.com) – 888-876-5432
